RFP #09-005-87

We have reviewed the proposals received for the property insurance coverage very carefully and recommend acceptance of the proposal from Mid South Insurance Office, Inc. through Traveler's Indemnity Company.

We received a total of five proposals from four brokers/agents. Arthur J. Gallagher presented two with Allianz as the insurance carrier for a lower premium but we excluded them from consideration due to lower policy limits of coverage and deductibles that did not meet our requirements. The proposal from Hylant was through a public entity purchasing group program with Alliant at a higher estimated premium than the Traveler's proposal.

We then evaluated the Travelers proposal from Mid South Insurance Office, Inc. and the incumbent FM Global proposal from Pete Mitchell & Associates, Inc. The Travelers proposal is considerably lower than the FM proposal.

We recommend accepting the Mid South proposal through Traveler's Indemnity Company with an increase in the Extra Expense coverage for a premium of \$407,146. This is \$146,161 less than the proposal provided by Pete Mitchell & Associates at \$553,307.

Please let me know if I can provide any additional information.
